

Global Coalition of TB Activists

Stop TB Partnership Coordinating Board meeting
11th July 2013, Ottawa Canada

Global Coalition of TB Activists is a coalition of TB affected communities and their representatives aiming to bring together activists from diverse backgrounds and regions to ensure TB affected communities are at the center of all processes on TB.

tGTA aims to develop regional, national and local alliances for collaboration with all stakeholders.

Vision:

A World Free of Tuberculosis

Mission:

To be an advocacy platform and effectively represent TB affected communities in order to influence global TB control agenda through patient empowerment, strategic advocacy and community mobilization.

Strategic Objectives:

To advocate for increased resources for addressing TB

To improve community engagement, networking and strengthen partnership with all TB stakeholders

To strengthen the capacity of activists and representatives affected communities for effective engagement at all levels

To promote effective communication of TB issues at all levels
