

GDF Budgeting Prices for TB Medicines

Version: Q4-2019

The Stop TB Partnership's Global Drug Facility has established Long Term Agreements with manufacturers of TB medicines with the aim to achieve lower prices and also ensure the sustainable and reliable on-time supply of the full range of the needed TB medicines.

The prices below are indicative prices for budgeting purposes. GDF aims to deliver the TB medicines at these prices or below. The prices are valid through March 2020.

For more information on the TB medicines listed below please refer to the StopTB/GDF catalog at the following link <http://www.stoptb.org/assets/documents/gdf/drugsupply/GDFMedicinesCatalog.pdf>
